SHEFFIELD**

Conditions of Sale

1. **CONDITIONS.** All goods are sold subject to these Conditions which shall prevail over any conflicting conditions sought to be imposed by a customer. These Conditions should be read in conjunction with the Terms as stated below.
2. **CONTRACT.** Publication of our price list constitutes an offer, and the placing of an order is deemed to be an acceptance of that offer. The resulting contract is subject to these Conditions of Sale.
3. **PROPERTY.** Property in goods shall not pass to the customer until the whole of the purchase price has been paid; notwithstanding this, a customer may re-sell goods as a Principal on condition that, so long as any part of the purchase price remains due to us, the customer shall account to us for the proceeds of such re-sale to the extent of the amount outstanding and shall hold such proceeds as a trustee.
4. **RISK.** Risk shall not pass at the same time as Property in the goods but shall pass at the time of delivery in accordance with our Terms.
5. **SPECIFICATION.** We reserve the right to alter without prior notice the specification of any goods listed in the catalogue.
6. **SPECIALS.** Where any goods are made by us to a customer's design the customer must indemnify us against all claims and liability for breach of any patent, copyright or registered design.
7. **PART DELIVERIES.** We reserve the right to make part deliveries against any order and to invoice all such at the time of despatch. Such invoices will be payable notwithstanding that the balance of the order has still to be delivered.
8. **DELIVERY.** Delivery of all orders will be made as early as practicable, or as close as practicable to customer's specific requirements. Notwithstanding any delay, however, orders will remain valid and binding.
9. **CANCELLATION.** Cancellation of any order or part of an order will be accepted only with our prior consent.
10. **RETURN OF GOODS.** Goods may only be returned with our written consent. On such return they will be credited at the invoiced price less a handling charge. Consent will not be given to return goods made specially to order.
11. **GUARANTEE.** Our products are guaranteed against defects in material or workmanship subject to fair and proper usage. Any article claimed to be defective will be repaired or replaced free of charge if, when returned to us carriage paid, examination confirms such defect; we reserve the right to repair tools, or replace defective parts only, rather than replace the complete article. Customers are not authorised to make replacement of our products without prior approval by us.
12. **LIABILITY.** Subject to the foregoing guarantee, all warranties express or implied, conditions, undertakings or representations, however imposed, are hereby expressly excluded. We will not be responsible for consequential loss, damages or any other liability, howsoever arising.
13. **LEGAL CONSTRUCTION.** These Terms and Conditions shall be construed according to the Law of England, and all sales subject to them shall be deemed to have been made in England.
14. **BOX QUANTITIES.** Products are sold only in unit pack quantities as shown in price list.

Terms

1. **PRICES.** Prices shown in our Price Lists are subject to change without notice.
2. **V.A.T.** Two prices are shown one exclusive of V.A.T. and one inclusive of V.A.T. at the current rate.
3. **DELIVERY.** Delivery takes place at customer's warehouse; carriage is paid by us on all orders routed at our discretion.
4. **ORDERS.** Orders are accepted on the basis of prices ruling at time of despatch. Customers are asked to ensure that their orders are for a minimum value of £500 list.
5. **PAYMENT.** Payment is due during the month following despatch. A cash discount of 2½% is allowed for payment received by us by the last working day of the month following despatch. A cash discount of 3% is allowed for payment received by us by the 15th day of the month following despatch.
6. **SHORTAGES.** Shortage or damage must be reported to us within 48 hours of receipt of consignment by customer.
7. **NON-DELIVERY.** Non-delivery of a consignment must be notified by customer to us within 21 days from the date of despatch to enable us to make a claim upon carriers. Notification outside this period invalidates the claim and no responsibility will be accepted by us.
